

LONG KNOWLE PRIMARY

Summer Curriculum Newsletter

YEAR FOUR

English Reading

This term we will continue to apply **DERIC** reading skills to texts and videos in order to build up a more extensive reading repertoire.

By breaking down how to **Decode**, **Explain** the meaning of words in context, **Retrieve** information, apply **Inference** skills and understand the author's

intentions, **Choice**, pupils will be able to understand the complexities of a variety of texts.

Writing

Year Four will be looking at writing fantasy stories this term. We will be reading The

Art

This term we will be looking at using different media to create landscapes. We will look at paintings by the artists Claude Monet and

Date for your diary:

Bridgnorth Visit:
Thursday 24th May

Topic: Contrasting localities
Geography, History and Art.

This term we will be looking at two areas. We will first look at Bridgnorth then move on to Port en Bessin in France. We will learn about the history and geography of the two areas, comparing them. We will also be learning about rivers and learning the names and features of different rivers in

Science

This term's topics in science are 'Animals and humans' and 'Sound'. We will be learning about the digestive system, teeth and food chains. As part of our sound topic we will be learning how sounds are created and travel.

PE

We are extremely privileged to have specialist coaches who provide engaging P.E. lessons for pupils. Year Four's sessions will continue to take place every Tuesday afternoon and Friday morning. Children must have kits in school everyday, long hair needs to be tied back and ear rings removed at home.

Maths

In our daily Maths lessons this term, children will be securing their knowledge of the following areas:

- Rounding decimal numbers.
- 11 and 12 times tables.
- Mental and written multiplication.
- Area and perimeter.
- Properties of 2D and 3D shapes.
- Decimal numbers in length.
- Negative numbers.
- Adding and subtracting 4 digit numbers.

Computing

In computing we will be learning how to create a powerpoint presentation linked to our Bridgnorth topic. We will learn how to insert pictures, text and animation. We will also be creating our own films using the iPads. We

RE

In Religious Education lessons pupils will have the chance to discuss 'Special places'. We will look at sacred buildings of different religions including churches, mosques, Gurdwaras and

PHSE

We will continue to use SUMO in different situations and use it to solve problems they face. We will also be
